

## GUILT OF PACKERS IS FINALLY UPHELD

Highest Tribunal Affirms Decision of Lower Court in Kansas City Cases.

### RECEIVERS OF REBATES AS GUILTY AS GIVERS

Majority Holds That the Elkins Act Is Applicable to Transportation Anywhere.

WASHINGTON, March 16.—The Supreme Court today affirmed the decision of the lower courts in the Elkins case, holding that the Elkins act is applicable to transportation anywhere and that an offense is not confined to the initial point. He also held that the act is applicable to shipper and carrier.

**Lower Court Affirmed.**  
The decision of the lower courts in the Elkins case against the Chicago, Burlington & Quincy Railway company, holding that company responsible for granting the rebates to the packers and finding that company guilty of the offense, also was affirmed. Justice Brandeis dissented from the view of the court, on the ground that the decision would work a violation of contract, which, he said, "shocks the sense of justice."

The Chief Justice and Justice Peckham concurred in Justice Brandeis's decision. They also held the Missouri court to be without jurisdiction.

**DETAILED STATEMENT OF INTERESTING CASE**  
KANSAS CITY, Mo., March 16.—The four packing companies mentioned in the Washington dispatch were convicted in the United States District court here of accepting concessions on export shipments of packing-house products and were fined by Judge Smith McPherson on June 22, 1906. At the same time the Burlington railroad

## When Her Back Aches

A Woman Finds All Her Energy and Ambition Slipping Away.

Salt Lake City women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in a Salt Lake City woman's words:

Mrs. Joseph Slater, 552 West Third South street, Salt Lake City, Utah, says: "The recommendation which I gave Doan's Kidney Pills about a year and one-half ago was true in every particular and I can recommend them just as highly at this time. For a long time previous to taking them I had attacks of backache and other symptoms of kidney troubles which were very annoying and distressing. A friend advised me to try Doan's Kidney Pills and I procured a box at the P. J. Hill Drug Co. They acted up to their representation in my case and in a short time I was rid of every symptom of the trouble. Whenever I feel any symptom of a return I appeal to Doan's Kidney Pills and they always give me relief."

was fined \$15,000 for granting concessions, and George L. Thomas of New York, a freight broker, and L. B. Taggart, his clerk, were fined and given jail sentences for conspiring to secure concessions from railroads. Recently Thomas and Taggart threw themselves upon the mercy of the court, and Judge McPherson withdrew the jail sentences, the defendants paying their fines and being discharged.

**Published Tariff Cut.**  
The fines were assessed after a lengthy trial, in which many witnesses testified to cases of concessions granted and received. The packing companies were convicted of receiving concessions in having accepted a rate of 25 cents a hundred pounds on export shipments from Kansas City from the Burlington road, together with connecting lines between the Mississippi river and New York, when the published tariff was 35 cents, and the Burlington was convicted of granting these concessions.

In the case of Thomas and Taggart, it was shown they secured concessions from numerous railroads for various wholesale dry goods firms in the Mississippi valley.

### LIFE'S LOAD TOO HEAVY FOR GIRL OF FIFTEEN

TRENTON, N. J., March 16.—Margaretta Borden, 15 years old, daughter of Harry L. Borden, shot herself in the heart last night as a result of grief. Three causes are assigned for her action—the objection of her father to a young man who had been calling upon her, worry because her mother was dying of consumption, and disappointment over the placing of her two sisters in charge of her work in Atlantic City, forcing her to attend to the household duties.

"I am tired of it all," she said just before entering her room and firing the shot.

### DECLARES THAT POPULISTS WILL NAME LA FOLLETTE

EMPIRIA, Kan., March 16.—E. S. Waterbury of Emporia, Populist national committeeman from Kansas and delegate to his party's national convention at St. Louis, is quoted as saying, in the course of an interview here today, that United States Senator Robert M. La Follette of Wisconsin would be nominated on the first ballot for President by the Populists. He stated further that Senator La Follette would not be given a chance to accept or refuse the nomination until after the Republican national convention is held.

### Farmers Short of Help.

LANCASTER, Pa., March 16.—So badly do the farmers of this county require help on the farms that the Farmers' league has issued an appeal to the unemployed of the cities and towns to go to the country for work, and an appeal has been sent to the bureau of labor and immigration at Washington asking that able-bodied emigrants be directed to this county.

### Countess Loses Her Claim.

WASHINGTON, March 16.—The claim of the Countess of Bona Vista against Major-General Brooke for \$250,000 damages on account of his revocation, while Military Governor of Cuba, of her license to slaughter all the cattle for Havana was decided today by the Supreme Court of the United States against the countess.

### Mrs. Schoff Re-Elected.

WASHINGTON, March 16.—Mrs. Frederic Schoff of Philadelphia was re-elected president of the National Mothers' congress at today's session.

### Do Not Crowd the Season.

The first warm days of spring bring with them a desire to get out and enjoy the exhilarating air and sunshine. Children that have been housed up all winter are brought out and you wonder where they all came from. The heavy winter clothing is thrown aside and many shed their flannels. Then a cold wave comes and people say that grip is epidemic. Colds at this season are even more dangerous than in mid-winter, as there is much more danger of pneumonia. Take Chamberlain's Cough Remedy, however, and you will have nothing to fear. It always cures, and we have never known a cold to result in pneumonia when it was used. It is pleasant and safe to take. Children like it. For sale by all druggists.
